

Supervisory Board report

The Supervisory Board and its committees, Chair and Deputy Chairs periodically and repeatedly monitored in detail the management of the Company and the activities of the Managing Board in connection with its management and monitoring of the Group. This purpose was served by detailed presentations and discussions during meetings of the Supervisory Board and its committees as well as by detailed discussions on individual topics with Managing Board members who provided comprehensive explanations and evidence relating to management, the financial position of the Company and that of the Group. Among other things, the strategy, business development (overall and in individual regions), risk management, the internal control system, internal audit, compliance function and actuarial function activities and re-insurance, both at the VIG Holding and Group level, and other important topics for the Company and VIG Insurance Group were discussed during these meetings.

In accordance with the Solvency II requirements, starting in 2016 non-financial aspects must be part of the performance expectations for variable remuneration of Managing Board Members. VIG Holding is committed to social responsibility and the importance of having employees drive forward performance, innovation and expertise. Goal fulfilment for Managing Board Members also depended on both financial and non-financial criteria in the 2021 reporting year. Detailed information on the principles underlying the remuneration system is available in the remuneration policy and 2021 remuneration report.

The Supervisory Board has formed five committees from its Members.

Information on the responsibilities and composition of these committees is available on the Company's website and in the 2021 consolidated corporate governance report.

One Annual General Meeting and five Supervisory Board meetings distributed across the financial year were held in 2021. Five meetings of the Audit Committee (Accounts Committee) were also held. Some of the meetings were held

without the physical presence of the participants in accordance with § 1 of the Austrian Corporate COVID-19 Act (COVID-19-GesG). The Annual General Meeting was held as a virtual Annual General Meeting on the basis of § 1 (2) COVID-19-GesG and the COVID-19-GesV. The financial statement and consolidated financial statement auditor, KPMG Austria GmbH Wirtschaftsprüfungs- und Steuerberatungsgesellschaft, FN 269873y (KPMG), attended four Audit Committee meetings and three Supervisory Board meetings in 2021, including the Supervisory Board meeting that addressed the audit of the 2020 annual financial statements and the 2020 consolidated financial statements as well as formal approval of the 2020 annual financial statements, and also attended the Annual General Meeting. KPMG also informed the Audit Committee about the planning and procedure used to audit the financial statements and consolidated financial statements. Three meetings of the Committee for Managing Board Matters (Personnel Committee) were held in 2021. The Committee for Urgent Matters (Working Committee) held one meeting. The Strategy Committee and Nomination Committee did not meet in 2021. Strategic matters were handled by the Supervisory Board as a whole.

No agenda items were discussed in Supervisory Board meetings in 2021 without the participation of members of the Managing Board.

No Member of the Supervisory Board attended less than half of the Supervisory Board meetings. Detailed information on meeting attendance by Supervisory Board members in financial year 2021 is available in the 2021 Corporate Governance Report. In order to ensure the effectiveness and efficiency of its activities and procedures, the Supervisory Board performed a self-evaluation of its procedures. The Supervisory Board's evaluation of its activities found that its organisational structure and procedures were satisfactory in terms of efficiency and in compliance with the law. It found no need for change or desire for change in the practices followed to date.

Acting upon the proposal and motion of the Supervisory Board, the general meeting of 25 September 2020 selected KPMG to be the financial statements auditor and consolidated financial statements auditor for financial year 2021, and KPMG consequently performed these duties in financial year 2021.

The Audit Committee mainly dealt with the following topics in 2021:

During one meeting of the Audit Committee, the members of the committee consulted with the (consolidated) financial statements auditor on specification of two-way communications and audit planning.

By inspecting relevant documents, meeting with the Managing Board and discussions with the (consolidated) financial statements auditor, the Audit Committee was able to monitor the accounting process and the procedure used for auditing the financial statements and consolidated financial statements, and found no facts or circumstances providing grounds for objection. The Audit Committee also reviewed the possibilities of providing recommendations or suggestions to ensure the reliability of the accounting process and, based on the comprehensive information and documents obtained by the Audit Committee during its review, found that the processes that had been established were adequate.

The Audit Committee also reviewed and monitored the independence of the auditor of the financial statements and consolidated financial statements, and after reviewing suitable documents and supporting records submitted to the Committee, particularly with respect to the appropriateness of the fee and the additional services provided to the Company, was satisfied with the auditor's independent status. While reviewing and monitoring the independence of the financial statements auditor and consolidated financial statements auditor, the Audit Committee did not find any circumstances that would raise doubts about its independence and impartiality.

The Audit Committee also dealt with the VIG Holding and VIG Group ORSA reports and the IT security report in 2021 and reported on them to the Supervisory Board. The Audit Committee monitored the effectiveness of the internal control system, internal audit and the risk management system by obtaining descriptions of the processes and organisation of these systems from the Managing Board, the (consolidated) financial statements auditor and the individuals directly responsible for these areas and deemed them, including the IT security measures, to be effective.

The Audit Committee reported on these monitoring activities to the Supervisory Board and stated that no deficiencies had

been identified. The Supervisory Board was also given the opportunity during Supervisory Board meetings to verify the functional adequacy of the existing control and auditing systems. In addition, the audit plan and the quarterly reports prepared by the internal audit department were debated by the Audit Committee and the Supervisory Board and discussed with the head of the internal audit department and the Group internal audit department.

The Audit Committee examined the Solvency and Financial Condition Reports (SFCRs) at both the solo and Group levels and reported its findings to the Supervisory Board. No facts or circumstances were found that would have provided grounds for objection.

In 2021, the Audit Committee dealt with the selection of the financial statement and consolidated financial statement auditor for financial year 2022 and also carried out a selection procedure for appointing the financial statement and consolidated financial statement auditor for financial year 2023 and submitted a proposal to the Supervisory Board, with a statement of reasons. It was determined that there were no grounds for exclusion of KPMG or circumstances that would give rise to concerns about impartiality, and that sufficient protective measures had been taken to ensure an independent and impartial audit. The Audit Committee reported to the Supervisory Board on the insights of these evaluations and proposed to the Supervisory Board and subsequently to the general meeting that KPMG be selected as auditor of the financial statements and consolidated financial statements.

The General Meeting selected KPMG as auditor of the financial statements and consolidated financial statements for 2022.

The Audit Committee also received the 2021 annual financial statements, management report, 2021 consolidated corporate governance report and 2021 sustainability report (consolidated non-financial report) from the Managing Board, and reviewed and carefully examined them. The Managing Board's proposed appropriation of profits was also reviewed with respect to capital adequacy and its effects on the solvency and financial position of the Company during the course of this examination.

The Audit Committee also examined the 2021 consolidated financial statements and Group management report. In ad-

dition, the auditor's reports prepared by (consolidated) financial statements auditor KPMG for the 2021 annual financial statements and management report and the 2021 consolidated financial statements and Group management report were reviewed by the Audit Committee and examined. As a result of this examination, a unanimous resolution was adopted to recommend to the Supervisory Board that the annual financial statements be accepted. The Supervisory Board found no grounds for objection.

The (consolidated) financial statements auditor provided the Audit Committee with an additional report in accordance with Art. 11 of Regulation (EU) No. 537/2014 on specific requirements regarding statutory audit of public-interest entities that explained the results of the financial statements audit and consolidated financial statements audit. This additional report prepared by the financial statements auditor was also provided to the Supervisory Board.

The Supervisory Board dealt with the following topics in particular:

The audit results and all resolutions adopted by the Audit Committee were reported to the Supervisory Board in its next meeting, along with an explanation of how the financial statement audit had contributed to the reliability of the financial reporting and what role the Audit Committee had played.

The Supervisory Board also dealt with IT security issues in financial year 2021.

The Managing Board and Supervisory Board prepared a remuneration report for financial year 2021.

In 2021, the Supervisory Board appointed Hartwig Löger as Deputy Chairman of the Managing Board effective 15 September 2021.

The Supervisory Board concurred with the Audit Committee's proposal for the financial statement and consolidated financial statement auditor for 2023.

The 2021 annual financial statements together with the management report and 2021 consolidated corporate governance report, the 2021 consolidated financial statements together with the Group management report, and the Managing Board's proposed appropriation of profits were taken up and examined in detail by the Supervisory

Board. The proposed appropriation of profits was checked, in particular, to ensure that it was reasonable when capital requirements were taken into account. The proposal complies with applicable legal requirements and proactively considers the macroeconomic and financial situation and its impact on the company's solvency and financial position in light of the COVID-19 pandemic. The proposal is in line with the continuously pursued prudent and sustainable capital planning to ensure a solid solvency and liquidity position in the long term.

The Supervisory Board also dealt with important sustainability issues. Sustainability – such as the EU requirements for sustainable finance or an update on dealing with sustainability risks – was regularly discussed in Supervisory Board meetings during the reporting period. The Supervisory Board also received the 2021 sustainability report (consolidated non-financial report) examined by KPMG from the Managing Board, and reviewed and carefully examined it. As a result of this examination, it found that the 2021 sustainability report (consolidated non-financial report) had been prepared properly and was appropriate. The Supervisory Board found no grounds for objection.

In addition, the auditor's reports prepared by (consolidated) financial statements auditor KPMG for the 2021 annual financial statements and management report and the 2021 consolidated financial statements and Group management report were reviewed by the Supervisory Board and examined. KPMG's audit of the 2021 annual financial statements and management report and the 2021 consolidated financial statements and Group management report did not lead to any reservations. KPMG determined that the annual financial statements comply with statutory requirements and give a true and fair view of the net assets and financial position of the Company as of 31 December 2021, and of the results of operations of the Company for financial year 2021 in accordance with Austrian generally accepted accounting principles. The management report is consistent with the annual financial statements. The disclosures pursuant to § 243a UGB (Austrian Commercial Code) are appropriate. KPMG further determined that the consolidated financial statements also comply with statutory requirements and give a true and fair view of the net assets and financial position of the Group as of 31 December 2021, and of the results of operations and cash flows of the Group for financial year 2021 in accordance with the IFRS as adopted by the EU and § 138 of the

Austrian Insurance Supervision Act (VAG) in combination with § 245a of the Austrian Commercial Code (UGB). The Group management report is consistent with the consolidated financial statements. KPMG also reviewed the 2021 sustainability report (consolidated non-financial report) and determined in accordance with § 269 (3) UGB that the 2021 consolidated corporate governance report had been prepared.

The final results of the review by the Supervisory Board also provided no grounds for objection. The Supervisory Board stated that it had nothing to add to the auditor's reports for the financial statements and consolidated financial statements.

After thorough examination, the Supervisory Board therefore adopted a unanimous resolution to approve the 2021

annual financial statements prepared by the Managing Board, not to raise any objections to the management report, the 2021 consolidated financial statements and Group management report, the 2021 consolidated corporate governance report and the 2021 sustainability report (consolidated non-financial report) and to agree with the Managing Board-proposed appropriation of profits.

The 2021 annual financial statements have therefore been approved in accordance with § 96 (4) of the Austrian Stock Corporation Act (AktG).

The Supervisory Board proposes to the General Meeting that it approves the Managing Board's proposed appropriation of profits and formally approves the actions of the Managing Board and Supervisory Board.
